FROM: S. Hutcheson

SUBJECT: PM 764/2-METHYL NICOTINE

FOR

In view of some questions raised by the European Patent Examiner, I have asked George Depaoli to look into the matter and advise us as to how best to deal with the situation. We discussed this on September 3 and he will advise me in the near future as to what should be done. In the meantime I shall advise Mr. John Bass of Reddie & Grose regarding the examples and the references therein.
